We, the Seniors of 1963, wish to express our appreciation to the advertisers and to all who helped to make the publication of the "Cougar" possible.

We hope you enjoy this annual and in it find warm happy memories of classmates, teachers, activities, and events that were a part of life at Aquilla School.

## *In Memoriam*

On June 20, 1962, Tyrus Padgett Sparks, a member of our Fourth Grade, was taken from us, and the emptiness that has followed from his going has shown just how much his ready smile and pleasing personality had endeared him to all of us.

Now that he is in Heaven, we shall try to partially compensate for his loss by being deeply and humbly grateful for having had him to know and to love for an all too-brief period of time.

## *Superintendent's Message*

Seniors of 1963, I congratulate you upon having reached one of your goals, and I strongly urge you to work even harder toward all of the higher goals that will contribute most to your happiness and most prosperous living. Because I have come to love you as though you were my own, rest assured that my prayers, my hopes, and my help, if needed, will always be with you and available to you.

Sincerely and affectionately yours,

## *Dedication*

We, the Senior Class of 1963, wish to show our gratitude to our Superintendent, Mr. Eston Batton, for the consideration and kindness he has shown to the faculty and student body for the past three years; to him who has made life at Aquilla so pleasurable and enjoyable; to him who has served so uncomplainingly and so faithfully as superintendent, coach, teacher, and friend; to him we wish to say "thank you" by dedicating this edition of the 1963 Cougar to our very good friend, Mr. Eston Batton.
